

REMARKS

The application has been amended and is believed to be in condition for allowance.

Previously, claims 12-20 were pending.

This amendment cancels claim 18, amends certain of the previously pending claims and adds new dependent claim 21.

The Official Action rejected the previously pending claims as indefinite.

The claims have been amended so as to remedy the stated basis of rejection. Applicants appreciate the Examiner's kind suggestions in this regard.

Should any of the amendments prove insufficient, it is requested that the undersigned attorney be contacted with alternative language that would be acceptable.

New dependent claim 21 is based on the added recitation to claim 12 as suggested by page 2 of the Official Action.

In view of the above, withdrawal of the indefiniteness rejection is solicited.

Applicants believe that the present application is in condition for allowance and an early indication of the same is respectfully requested.

The Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 25-0120 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17.

Respectfully submitted,
